

Calling all shutterbugs!

The Town of Plattsburgh has organized a photo contest! We are seeking photographs captured within the boundaries of the Town which help to brand and define the Town as a destination place. These photos will be featured on the Town's website.

Participants can submit up to five photos for consideration, by a panel of local photographers. For each photo a 25-100 word caption must be included providing information about the image such as the photographer's name, location confirming the photo was taken within the Town of Plattsburgh, the date, and a caption about the photo. Please note: the photographer is responsible for obtaining the proper releases from individuals depicted in any photograph.

There are two categories for judging:

- * Cultural Events, including sports, within the Town.
- * Town places such as nature, landscapes, or built environment.

Please email entries to micheleb@townofplattsburgh.org with Photo Contest in the subject line. Entries will be accepted through August 12th. Photos should be JPG format with a resolution of 1280X1024 pixels. *Any photographs submitted will be released as property to the Town of Plattsburgh for future use.*

A winner will be chosen by a jury and awarded a prize in each category. The winners will be announced later this summer.

Please note: photos from outside of the Town of Plattsburgh are not eligible.
