APPLICATION FOR RESIDENTIAL ENTRANCE TO A TOWN ROAD.
(Under section 136 of Highway Law)

Name of Applicant _____ Phone # _____

Mailing Address _____

Location of Proposed Entrance _____

1. The exact location of the proposed entrance must be identified with stakes or flags.
2. A representative of the Town of Plattsburgh Highway Department (“Department” herein) will inspect the site to determine if a culvert pipe is needed and if so the size and length of said pipe.
3. If it is determined that a culvert pipe is required, the applicant is responsible for purchasing the pipe. The diameter, length and type of pipe will be stated on your permit. When the pipe is on site, notify this Department. We will install the pipe at no charge. Allow two to three weeks for installation.
4. This application may be denied if it is determined the proposed entrance will interfere with or create a hazard to the traveling public.
5. In consideration of granting the permit, the undersigned accepts it subject to the general and special conditions described.
