APPLICATION TO BURY CULVERT PIPE IN YARD

Name of Applicant _____ Phone # _____

Mailing Address _____

Location of Proposed Drainage _____

1. The exact location of the proposed drainage must be identified with stakes or flags.
2. A representative of the Town of Plattsburgh Highway Department ("Department" herein) will inspect the site to determine the diameter and length of pipe and accessories needed.
3. The applicant is responsible for purchasing the pipe. The diameter, length and type of pipe will be stated on your permit. We will install the pipe at no charge. You will be notified ahead of time so you can purchase your pipe and accessories. It is at the Highway Department's discretion when the pipe will be put in.
4. This application may be denied if it is determined the proposed drainage will interfere with or create a hazard to the traveling public.
5. In consideration of granting the permit, the undersigned accepts it subject to the general and special conditions described.
6. The Town of Plattsburgh will not be held responsible for any pipes attached to the culvert pipes that may freeze.
