Re: Town's new kayak storage rack

**FOR IMMEDIATE RELEASE**

The Town of Plattsburgh continues to explore new ways to offer access to the waterways located in the Town. Again this year, there is a kayak/canoe storage rack located at the Cadyville Beach on Route 3 in Cadyville. Users will provide their own method of locking up the boat and be able to leave their kayak or canoe on the rack for the entire season. The limited number of spaces will be leased to residents on a first come-first served basis until they are filled. The spaces can be leased for \$50 for the season, which is from May 1-October 31. Please call the Parks & Recreation Department for more information or to secure a spot.
