Town Attorney

**Date:** February 4, 2013  
**From:** Town of Plattsburgh  
**RE:** Newly Remodeled Town Website

## **For Immediate Release**

The Town of Plattsburgh has recently released a newly revamped and visitor friendly website for the Town. The website, [www.townofplattsburgh.com](http://www.townofplattsburgh.com), is a place to find answers to any questions you may have in regards to Town policies, requirements, upcoming events and more. The need for a redesigned website was realized when the number of visitors to the site grew exponentially over the last couple of years.

As a way to invite the public to visit this expanded and informative site, the Town is sponsoring a T.O.P. Website Scavenger Hunt. Answering the questions in the Hunt will bring visitors into each Department's page, providing an opportunity to navigate around the site helping them become familiar with the layout of information and what the site has to offer them. Entries with all the questions answered correctly will be put into a drawing for one of five \$50 gift cards donated to the Town from an anonymous patron. The entry form can be found and downloaded from the homepage of the Town's website. All entries must be submitted to the Town Supervisor's Office by 4pm on February 28<sup>th</sup>.

Questions can be directed to the Supervisor's Office at 562-6810 or emailed to [info@townofplattsburgh.org](mailto:info@townofplattsburgh.org)

**Employees of the Town of Plattsburgh and their families are not eligible to participate in this contest.**
